Conference

Bonn, November 2018

Directions to GREENER SKIES AHEAD 2018

Dear ladies and gentlemen,

Thank you very much for confirming your attendance at GSA 2018. We are delighted to welcome you soon in Bonn. We recommend that you arrive at 9:30 AM at the Deutsche Welle venue on Kurt-Schumacher-Str. 3, 53113 Bonn. Please ring the bell at the main entrance of Deutsche Welle. Once inside, identify yourself as a GSA attendee and present your I.D. or passport.

Here are the directions to GSA:

- By car - take A59 toward Cologne-Koenigswinter. Follow the lane marked 'Bonn Bad Godesberg/Rheinaue' and remain in the right lane for the exit in direction 'Post-Tower.'
- Parking lots are located between the Post-Tower and Deutsche Welle, along the Rhein or in the parking structure at the nearby Marriott Hotel (see the enclosed map).
- If you are taking public transportation from Bonn, look for the subway (U-Bahn) line 16 in direction 'Bad Godesberg;' stops are at the Bonn main train station or near the University (check the local maps). Exit at the 'Museumsmeile/Heussallee' stop. From there it is just a short walk on Heussallee until you get to Kurt-Schumacher-Str., where you turn right.

We wish you safe travels and a valuable experience at the conference.

Kind regards,
Your IASA Team
